If you adopt a kitten or puppy not already spayed/neutered, you must have them spayed/neutered by 6 months of age. You will receive a spay/neuter certificate at the time of adoption that will cover a basic spay/neuter. You may opt for additional services. You will be responsible for additional fees.

Puppy or Kitten = 6 months or younger

Senior = Over 6 years old

Barn Cat = We reserve the right to determine suitability
